## **We would like to invite you to RAY's AGM**

Thursday 21<sup>st</sup> November from 6.30pm

George Hudson Room, City of York Council, West Offices, Station Rise, YO1 6GA

### **6.30pm:**

- Refreshments will be available
- There will be a RAY stall providing information and selling postcards and calendars (designed by children and young people as part of Refugee Week in York 2019) and Christmas cards (designed by children from RAY)
- There will also be a Fair Trade stall, supplied by Fairer World, Gillygate

### **7pm:**

- AGM

### **7.30pm:**

- After the formalities of the meeting, we will be showing the film *Blue Moment*.

*'Blue Moment' is a 45min educational film that presents the experience of a refugee seeking asylum in Britain today. A story of resilience, of a traumatised torture-victim regaining her sense-of-self through therapy and the help of well-wishers, despite abuse and rejection.*

- There will be an introduction from the film's director/producer Cathy Denford, and there will be Q&A afterwards if time allows.

It would be very helpful if you could let RAY know whether you will be able to attend, for catering purposes.

Best wishes,

Carrie
